SUBJECT: Project USEFUL

1. The successful completion of the project USEFUL, conducted under your supervision, marks another milestone in our efforts to reach a practical and friendly understanding with the Military Services.
2. We have received many complimentary comments from the officers attending this project expressing high regard for the excellent presentation and the usefulness of the course during their assignments in the Unconventional and Psychological Warfare field. Officers from the Intelligence side of the services also have been complimentary which is a satisfying reaction to your efforts.
3. [] of your staff received many favorable comments for the manner in which he presented the program and guided the discussions.
4. We wish to add our thanks to [] and you for this third and most successful presentation of project USEFUL.
